**ALL PEOPLE'S CONGRESS (APC) EXPELS MR. MOHAMED BANGURA AS MEMBER OF
THE ALL PEOPLE'S CONGRESS**

(Freetown, Sierra Leone) - The All People's Congress (APC) has taken decisive action against Mr. Mohamed Bangura, the Member of Parliament-elect from Karene District, due to his defiance of the party's directives. Following his blatant disregard for the party's demands for all members of Parliament to refrain from attending parliamentary sessions, the National Advisory Committee (NAC) has unanimously resolved to remove Mr. Mohamed Bangura as a Member of Parliament elect and expel him from the APC with immediate effect.

The APC, as a political party committed to upholding the collective decisions made by its leadership, holds its members accountable for adhering to party directives. The party's stance on abstaining from parliamentary activities was taken in response to a critical matter that required unified action.

Mr. Mohamed Bangura's failure to comply with this directive, which was established to ensure the effective implementation of the party's strategy, has demonstrated a serious breach of discipline and a lack of commitment to the APC's principles. The NAC, after careful deliberation, has determined that such actions are incompatible with the values and objectives of the party.

The expulsion of Mr. Mohamed Bangura from the APC signifies a significant step towards preserving the unity and integrity of the party. The decision reflects the party's unwavering commitment to maintaining discipline among its members and safeguarding the collective interests of its constituents.

The All People's Congress reiterates its dedication to the people of Karene District and assures them that appropriate measures will be taken to ensure their representation in Parliament remains steadfast. The party will initiate a process to select a new representative for the district, who will effectively champion the interests and concerns of the constituents.

The APC urges its members and supporters to remain focused and united in the pursuit of its core values. The party remains resolute in its commitment to serving the people of Sierra Leone with integrity, accountability, and unwavering dedication.

Long Live the APC!

Long Live Sierra Leone!
